Principal: James G. Smith, CEO-President

Business Description: HTS serves as a supplier and contract manufacturer to Federal, State, Local government and commercial companies. HTS utilizes its status as a SDB and SDVOSB distributor and dealer to team with a diverse supplier base of high-quality manufacturers and distributors to provide an array of Medical Consumable Supplies, Vehicular Parts, Tactical Gear. **HTS seeks Indefinite Delivery Contract (IDC) purchase orders designed to be a win-win. Value proposition: 1) Reduces the administrative costs of multiple solicitations and quote preparations; 2) IDC contracts act like a mini contract for a single or multiple stocks numbers; 3) Only a one-year contract.**

HTS has a proven track record and demonstrated ability to provide quality products, services and delivery for our products categories. We execute inspection with our supply partners to ensure the order meets the product specification, part number reconciliation, technical specification and physical count. We provide shipping details and support for all requirements. Working together we can ensure that all materials meet quality requirements, count and are delivered on time. **HTS' core products and capabilities include:**

- **Prime Contractor and Distributor:** Respiratory supplies, Naloxone Nasal Spray and supplies, I.V. supplies, I.V. Start kits, Nitrile Gloves - Fentanyl and Chemo Rated, wound care supplies, sensors and pads, biohazard spill kits, personal protection kits, first aid kits, medical kits, pulse oximeters, blood pressure cuffs, self-adherent wrap, spine boards, mylar blankets, stop the bleed kits, hot & cold packs, gauze, trauma dressing, disinfectant wipes, head immobilizers, surgical tape, cot sheets, disposable pillowcases, infection control kits, bags, straps; Vehicle filters (Oil, Fuel, Air, Transmission & Coolant Filtration – Air & Ground), Sensors, Vehicle replacement parts
- **Temporary Consulting and Technical Staffing:** Technology, Project Management, Procurement, Logistics
